

Austin Transit Partnership Board of Directors Resolution  
Meeting Date: 1/21/2026  
ATP-2026-002

**Subject:** Approval of a resolution authorizing the negotiation and execution of an Interlocal Agreement (ILA) between Austin Transit Partnership (“ATP”) and the Texas Department of Transportation, Capital Area Metropolitan Planning Organization, the City of Austin, Central Texas Regional Mobility Authority, and Capital Metropolitan Transportation Authority (collectively the “Parties”), in support of ATP’s participation in the formation of the Central Texas Construction Partnership Program (“CPP”) for regional traffic management.

**Fiscal Impact:** Costs expected to be incurred in Fiscal Year 2025-26 are included in the Fiscal Year 2025-26 ATP budget.

**Executive Summary:** With more than 35 significant infrastructure projects commencing in Central Texas over the next 10 years, the Parties have come together to form the Central Texas Construction Partnership Program with a joint commitment to improve coordination, enhance safety, maintain mobility, inform the public, and form a long-term scalable foundation for proactively managing the region’s traffic flow during upcoming infrastructure construction.

In support of this commitment, the Parties agree to collaborate in the development of an integrated information sharing platform to receive construction information from projects; explore strategies to streamline public information during construction; cooperate with local businesses and the community to manage travel demand at and near construction projects; and use operational strategies and technology to optimize traffic flow.

During the terms of this contract, contract year one is anticipated to be \$221,359.00 and year two is anticipated to be \$189,791.00 for a total of \$411,150.00.

**Procurement Summary:** Does not apply.

**Disadvantaged Business Enterprise Program Summary:** Does not apply.

**RESOLUTION OF THE AUSTIN TRANSIT PARTNERSHIP  
BOARD OF DIRECTORS**

STATE OF TEXAS  
COUNTY OF TRAVIS

ATP-2026-002

**WHEREAS**, approximately \$20 Billion in mobility and infrastructure construction projects are proposed in the next ten years, in Central Texas, which includes Austin Light Rail; and

**WHEREAS**, the Austin Transit Partnership and the Texas Department of Transportation, Capital Area Metropolitan Planning Organization, the City of Austin, Central Texas Regional Mobility Authority, and Capital Metropolitan Transportation Authority (collectively the "Parties), desire to support the development of a Central Texas Construction Partnership Program ("CPP") for ten years to proactively minimize transportation construction impacts on travelers, residents, and businesses in Central Texas, and to enhance safety, mobility and public information in Central Texas during the construction of major infrastructure projects; and

**WHEREAS**, the parties desire to enter into an Interlocal Agreement to provide for the joint funding and implementation of the following CPP elements: Construction Coordination, Public Information, Travel Demand Management, and Traffic Management; and

**NOW, THEREFORE, BE IT RESOLVED** by the Austin Transit Partnership Board of Directors that the Executive Director, or their designee, is authorized to negotiate and execute an Interlocal Agreement with the Parties listed herein for the creation of the Central Texas Construction Partnership Program and for the funding of ATP's proportionate share of costs associated with the CPP, anticipated at \$411,150 for the first two contract years.
