ATP STAFF RECOMMENDATION

Austin Transit Partnership announced the organization's official Austin Light Rail staff recommendation—the 38th Street to Oltorf to Yellow Jacket option will serve as the first phase of the Austin Light Rail Implementation Plan. The recommendation is based on the professional expertise of the ATP team and partners at the City of Austin and CapMetro; and importantly, it also reflects the input and values of the community.

The full report can be viewed at www.atptx.org.
